Miss Blount Given a Delightful Party.

One of the most enjoyable dances given this season was the one last Thursday night at the Old Mill Inn. The affair was a very pretty compliment to Miss Hilda Blount, who leaves this week for Europe, and her many young friends gathered to give her a pleasant farewell. A good orchestra, stationed on the spacious front gallery of the Inn, furnished music for the dancers, who enjoyed the cool pleasant place to the utmost.

Guests from the navy yard, Fort Barrancas and Pensacola attended the delightful affair. Mr. Teno Brent bringing out a large number in his handsome new auto car.

The guests were received by Miss Blount, Miss Taylor, Mrs. Bellinger. There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has discovered that it is a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., TOLEDO, OHIO.
